

Student device setup (Teacher steps)

Preparing student devices:

1. Create a bookmark to Amplify Reading: K-2

We recommend making a bookmark to Amplify Reading: K-2 on **each** device to make it easy for students to get started. Amplify Reading: K-2 can be used on Windows Devices, Chromebooks, and iOS devices with iOS10.3+. Follow the instructions below to create the bookmark for **each** device type:

Windows devices / Chromebook:

1. With an active internet connection, open a **Chrome** browser window and go to reading.amplify.com
2. From the login page, click the **Settings**  icon in the upper-right corner. Select **Bookmarks** and Bookmark this page.
3. Make sure that **Amplify Reading: K-2** is the name and **Bookmarks bar** is selected as the **folder**. Click **Done**.
4. The **Amplify Reading: K-2 bookmark** is added to the bookmark bar at the top of the page.
5. Double-click the icon to open Amplify Reading: K-2.

iOS devices:

1. With an active Internet connection, open a **Safari** window and go to reading.amplify.com
2. From the login screen, tap  icon to the right of the address bar.
3. In the options that display, tap **Add to Favorites**.
4. The Favorite Icon and its label will display on a confirmation screen. Tap **Save**.
5. The **Amplify Reading: K-2** icon is added to the Favorites screen.
6. Tap the Favorites screen in Safari to open Amplify Reading: K-2.

2. Enable Class Login

Each class has a unique 3-digit code that allows students to login easily by entering the class code and then finding their student login ID from a list.

Follow the steps below to enable this on **each** student device.

1. Teachers will navigate to reading.amplify.com or **Amplify Reading bookmark**.
2. Click **Enable Class Login**.
3. Click here to enable Class Login through SSO
4. Type **LAUSD** as your SSO domain.
5. Login with your teacher district credentials.
